

ARPELL

Legend has it that finding the elusive four leaf clover will bring luck to the bearer. The four leaves represent love, hope, faith, and luck. Our Arpell pattern, fashioned after the clover and alternating with an eight pointed star, will confirm your faith in the beauty of the clover pattern and compel you to fall in love with its elegance. Available in polished Calacatta Gold clovers with milk white glass stars, Thassos marble clovers with Antique Mirror stars, and white Rivershell clovers with Azul Cielo stars, Arpell boasts much grace in a small repeating pattern.
