AZUL BAHIA SLAB

Azul Bahia is a rare granite, prized for its royal blue color. Quarried only in Brazil, Azul Bahia has been a designer's favorite, highly sought since quarrying began in the 1960's. Our selection is carefully inspected for quality and aesthetics and is available to view in our Slab Gallery by appointment.

² Regarding Fiberglass Mesh Backed Stones for installation in wet areas, consult your fabricator for recommended installation method. Options include, but are not limited to complete removal of fiberglass mesh backing (where applicable) or installing with epoxy setting material. Any decision to install contrary to most current Marble Institute of America Dimension Stone Design Manual practices is solely at buyers discretion and risk.

³ May have fiberglass mesh backing, choose setting materials accordingly.

 4 Please see MIA DSDM (Dimension Stone Design Manual) for all installation instructions.

Note: Alternate finishes and thicker formats available on special order.
