

HYDRAULIC PORCELAIN

From the 19th Century Southern France to 21st Century America, the Hydraulic collection by Apavisa brings a new face to old world decorative tile. Whimsical and bold yet classically conservative, Hydraulic delivers the hand-made aesthetic of encaustic cement tile in a low maintenance, durable porcelain. Select one of our repeating patterns for a traditional look, or indulge your eclectic side with the beautiful palette of our Patchwork. Whichever you choose, your space is sure to inspire.
