

WALDEN

Thoreau described Walden pond as “tranquil and lovelier than diamonds,” and ever since it’s stood as a symbol of nature’s restorative and meditative quality. This mosaic traces the shape of peaceful lily pads floating atop still water. Walden is stocked in two elegant colorways, polished Bianco Onyx and honed Lilac, and may be customized with the glass or stone of your choice through our Tailored To program.

WALDEN

Bianco Onyx Select Polished - Bianco Onyx Select & Thassos

Lilac Honed - Statuary, Lilac, Bianco Carrara & Thassos
